

Highland Folk Museum – Pupil Activities

Name:

Answer the following questions. If you need help, ask one of the museum staff.

Township (18th c)

What did the houses look like from the outside?

What did you think about when you entered the houses?

What smells did you notice inside?

What problems would you have living in houses like these?

What else lived in these houses?

What building materials were used?

How would these houses have been heated and lit?

What did you notice about the beds compared to your own room?

What buildings other than houses are in the Township?

What were these buildings used for?

School (1930s)

What differences in the classroom and lesson did you notice from your own experiences?

Aulflarie Farm Steading (1930s)

What were all the buildings in the steading used for?

Describe the inside of the Tin House?

What do you think is inside the big silver containers waiting at the Railway Halt?

How does the Post Office compare to a modern day one?

Pupil Evaluation

What did you enjoy about this trip?

Do you think this visit was worthwhile?

What did you learn new today?
